

Corner Inlet -Foster Victoria

The position of Parish Rector at Corner Inlet is currently vacant.

Is God calling you to Corner Inlet in Victoria?

Are you called to be the rector of a small parish within a beautiful verdant rural area with a multitude of sporting facilities, an exciting cultural and art community, highly regarded Schools (preschool to HSC); and a friendly and welcoming community.

This is an opportunity to continue and expand God's mission in this area. The rectory and main church buildings are in Foster. Other centres of outreach are at Toora and Hedley. The rectory has just been refurbished.

We pray the right person is feeling God's leading.
