

St Alfred's Anglican Church, Blackburn North
Full-Time Youth Ministry Position 2024

The mission of St Alfred's is to help people become mature followers of Jesus Christ. This is the goal of the youth ministry as well. The Youth Minister will specifically be trying to help teenagers and youth leaders mature as followers of Jesus.

St Alfred's is an Anglican Church in the eastern suburbs of Melbourne. The church is in Blackburn North and though there is a strong local identity, people come from many surrounding suburbs to attend. Life at St Alfred's is always busy as many ministries occur during the week not just on Sundays. You can get a feel for St Alfred's and see our present staff team at www.stalfreds.org

We are in the hub of the local community with both primary and secondary schools nearby and the main shopping centre over the road. To accommodate growth we completed a \$3.5 million building program in 2009. We are also in a partnership with St Luke's, Vermont.

At present there are two Sunday services at 10.00 am and 6.00 pm. There are over 500 members of St Alfred's with average Sunday attendance of around 300-400. People value the strong biblical preaching, contemporary style of music, ministries catering for children, teenagers and young adults, and a generally friendly atmosphere.

The church has an evangelical heritage and has been influenced positively over the years by both charismatic and social justice Christianity. As a community we are therefore committed to seeing that the Bible is taught clearly and undergirds all that we do; that we remain open to God's Spirit individually and corporately recognising our need for God's healing and guidance; and that we express the love of God in concrete ways both in our local area and overseas.
