

Parish Rector – Anglican Parish of Wagga Wagga

Is God looking to grow His Word through you in a vibrant, growing rural centre? The Anglican Parish of Wagga Wagga is looking for the right person to fill their vacant Rector position and lead the Parish. The area has all the amenities of a big city – sporting facilities, university, TAFE, an exciting cultural and art community, Anglican Schools (preschool to HSC offering the International Baccalaureate Diploma Programme), a community that celebrates its multicultural and diverse population, has great transport networks, easy “commute” to work.

If God is speaking to you, go to our webpage for information about the position and the parish. <https://www.waggaanglican.org.au/positions-vacant>

We pray the right person is feeling God’s tap on their shoulder.
